

I support your organization and its valuable work. By including this message, I also show my support for the **Charities: Please Show Your EINs** campaign.

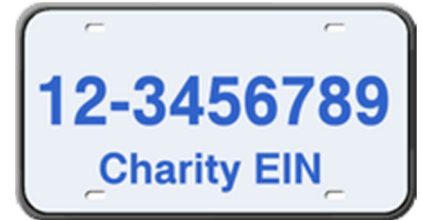

Please show the organization's EIN (federal employer identification number) prominently in all outreach and fundraising materials, including the website. You'll help donors (and potential donors) protect themselves and avoid "charity" scams, and affirm your support for charity transparency.

For more information, go to seriousgivers.org/2011/09/charities-please-show-your-eins/
